BARONIAL MEETING MINUTES

Business Meeting, August

Open Officers positions: Minister of Minors, Minister of the List, Chatelaine, Deputy Positions except Exchequer and Webminister. Viscountess Catherine volunteered for the Minister of the List position and was accepted by the Officers at the meeting and Viscount Cian volunteered of the Chatelaine and was accepted by the Officers at the meeting. Seneschal was reminded that there was a deputy A&S and also Knight Marshal. Webminister needs to work with officers and Deputies to get them listed on the website.

Baronial Meetings listed for Sept: Baronial meeting 9/01/2010, Sudentorre Meeting and Abhainn Iarthair both 9/14/2010

Agenda Items:

Metalsmith Symposium: Lord Gustav not in attendance at the meeting. Metalsmith Update from Seneschal. 20 Classes thus far. Gustav planned to have schedule done next week, so that it can be posted. He wants teachers to check in to make sure the schedule is set up properly. He is looking for volunteers for setup and cleanup. We need help with troll and setting up tables and chairs, break down Saturday night and Sunday morning. Also a reminder to pre register. There were a few questions for Lord Gustav that Seneschal would send to him: asked about a CIC for the event? Asked about Waterbearing for the fighters. There was also talk of people that had already pre registered for the event having the ability to pre register for classes. Mistress Ceridwen was going to look into seeing if it was something that would be easy to do.

WoW update: Her Excellency Rhonwen updated with list of Baronies siding with us. Reminded that Baroness Chiarostinia is land Agent and will tent sizes. Potentially looking for someone to cook for Stierbach campers for Saturday night. Battle Scenarios have been determined. They are in desperate need of volunteers for all areas, especially trash, bathrooms, water bearing, also marshals. Specifically looking for non fighting marshals.

Talk of Stierbach cookbook. As the cookbook is more of a pass the hat. The Stierbach financial committee does not need to approve it. Mistress Ceridwen to email Baroness Chiarostinia to explain extra verbage that is needed in her missives.

Holiday Faire: Seneschal informed all that she has recieved at least 6 inquiries about merchanting. Information forwarded to Merchant Coordinator. Talk of inviting thier Majesties and thier Highnesses to event. Since Crown is so far north chances are slimmer.

Atlantian 30 Year update: Site Visit scheduled that is geared toward Marshals. Working out dated and times depending on peoples availabilities. Baroness Rhonwen has site use pictures in her SmugMug account. There is a stab website set up on the Sudentorre website that will be built up. Lady Amiee looking for someone to run the demos area for the event, perhaps and

Seneschal or Chatelaine. Seneschal and Exchequer volunteered to talk to Society Chatelaine to see if she was interested. Talk about contacting the Kingdom Historian.

Pennsic: Their Excellencies mentioned that there might be a few things that need to be fixed for next Pennsic. Washingstations are showing age and benches. Lord Bubba took pictures to be added to book about putting together the waterheater for next year. He probably won't be able to be there next year. More full up at the next meeting, hopefully the land agent, Lord Enequey will be able to attend.

Teams for Chalice: Their Excellencies would like to be able to field at least one team for this event if not more. Stierbach had the winning team last year so we will need to defend.

Baronial Birthday 2011: Talk of date to plan this event, group decided June 18th is the best date in June. June calendar is already filling. Need to start looking for an Autocrat. Could always use Prince William Fairgrounds for a site but if we do there was interest in at least having use of the small building.

A few agenda items revisited: Table proposal, tabled until September meeting. Mention of Ponte Alto's accepted bid for Nov Crown. Crown will be at the Loudoun County Fairgrounds.

Catching up with Abhainn Iathair - Her Excellency Rhonwen reminded us that they are planning a Demo for July 2011. Lady Ceit is and Lord Ragnar are working on it. It was mentioned that Reinmar has taken the Exchquer class and they will start looking into getting a bank account.

Catching up with Sudentorre: Baroness Chairostina is Autocrating Defending the Gate, 2011. It will be the 10 year anniversary. It will be at the Issac Walton League site. It was mentioned that Miles de Locwode might be talking to Sudentorre about using the Issac Walton League site for Royal Archer 2011. Not sure if he needs and Autocrat too or just the site. Lady Esperanza has passed Lord Siegfried information to him. Dogmart demo potentially Oct 2nd.

New Business: Financial Requests to the Barony: Exchequer asked that the Barony agree to pay for the local Storage Locker, not more than \$1500.00 and the Pennsic Storage Locker \$400.00. Officers there approved, paying.

- A request was made after the event by the Pearl Guild for pictures of the event. Gustav the autocrat will check with lady Appelonina who was seen taking lots of detailed photos.
- Final budget not yet in.

WoW Baroness Rhonwen addressed last minute prep for Baronial encampment. Including location on site and how tents to be organized.

Need supplies; buttons, soap, gas cards, fabric, trim, beads, ect.

*Holiday Faire *

- Discussed need for Herald volunteers. Lord Bertrand may have a work conflict so a backup is needed.
- Discussed arrival time for autocrat.
- Her Majesty of Atlantia will be present with 2 retainers. No room for merchants in other building. Will be both Baronial and Royal courts. Plan to start at 5pm or later. last year merchants were unhappy with early court time that cut into their sales and the time they paid for. Expect court to take from 1 to 1.5 hours.
- Fake fireplace needs to be brought from House Wolfhou.
- Master Richard would like someone to volunteer for running silent auction.

30 Year Celebration

- Artisan's row is no longer required to be outside event per the site owners representative. Formerly it had to be outside the gate so that mundanes could appreciate the arts and crafts and get tours of the event by SCA members. This is no longer needed. However we have received volunteers and notes of interest in helping with artisan's row from most of the Atlantian chapters. Artisan's row will still happen with a group effort from the entire kingdom but inside the event near the other A&S

activities.

- The Guilds of Atlantia were contacted for assistance with the A&S Competition ideas discussed at the last 2 Baronial Business meetings. Only Lady Alessandra di Venizia from the Saint Anne's Guild of Clothiers responded to our request. All of the other guilds and orders have been silent. We may need to discuss a different option if we cannot get support in the previous idea.

- The autocrat asked the MoAS to contact the KMoAS one more time and report back before the next meeting.

- UPDATE: MoAS sent request for input from KMoAS on 10/09/10 asking for input and the name of her deputy in charge of the guilds. Baronial deputy MoAS Lady Amie Sparrow responded to discussion on the officer's list. She provided the information that the Kingdom deputy in charge of coordinating with the guilds is Lady Alessandra di Venizia who has already responded to us from her own guild. The MoAS will contact her in hopes of getting the other guilds and orders involved in the 30 year A&S competition.

- Quilt Project discussed. Design drawn up by Vicountess Catherine and submitted for approval with unanimous agreement.

- All other site and event details are moving forward on schedule for this event in September 2011.

Baronial Birthday 2011

- We still do not have an autocrat looking for volunteer.
- Vote was taken and decided we need to get PW fairground and 1 small building. If Autocrat prefers different site they can make changes later.
- Seneschal Lady Esperanza will call Keith at the site.
- Once site is secured we will spike June 18 2011.

Chalice of the Sun God

We still do not have one single full team by the Barony. As defending champions Her Excellency would like to see us hold this title.

Table discussion : Again tabled till Spring or at least till after Holiday Faire.

Canton Updates

- The Seneschal for the *Canton of Sudentorre* was present at meeting. Per Lord Siegfried at the last Canton meeting they discussed the fundraiser at Holiday Faire and the site and Budget for Defending the Gate on March 25th. Practices

Heavy & Fencing

Indoor year round Heavy and Rapier fighter practice in the Manassas area: The Prince William Fencing Academy has offered us space at their gym for practice. Tuesday evenings from 7-9 pm at the Prince William Fencing Academy 8440 Kao Circle Manassas. It is just down the street from the library where the business meetings are held.

This is the largest permanent Olympic style fencing gym in Virginia. That being said there are some specific rules that will need to be followed so that we don't break their equipment:

- To protect the metal floors no going to your knees for either heavy or rapier.
- Lanyards will need to be worn with rattan weapons. This will ensure no flying weapons since there will be non-armored combatants in the area as well as a wall of mirrors on one side and 2 scoring machines we don't want to replace.
- No great weapons again to protect the scoring equipment.
- There is an annual site waiver you will need to sign from the facility to practice.
- There is a floor fee of \$5 a fighter.
- No street shoes or boots. Sneakers with non-marking soles only.

Please contact knight-marshal(at)stierbach.org for more information on heavy weapons and fencing practices.
