## ☞ Baronial Business Meeting Minutes: August 13th ☞

Meeting was cancelled due to proximity to Pennsic

## ☞ Missive: Baronial Birthday Autocrat: ☞

Greetings Barony of Stierbach, a missive from your Autocrat for our upcoming Baronial Birthday Event planned for 21 September 2019,

Our event planning is in the final stages in preparation for our Baronial Birthday celebration. Our most exalted baronage Baron Saphir and Baroness Karin have confided in me their three wishes for our Birthday celebration and I would like to share them with you now.

Wish #1: They wish for all who read this to consider joining us to celebrate 21 years of Stierbach Awesomeness! I hope that you will join us on 21 September at the American Legion, at 8459 Brock Road, Spotsylvania, VA and oh yes, there will be cake!

Wish #2: They wish to look out onto the event and see a sea of Red and White. Please consider wearing Red, White, or Red and White to show your love and support of the Barony of Stierbach. All other colors are welcome; but Red and White will be favored among them.

Wish #3: They wish to see lots of heraldry. In addition to the banners of our beloved Atlantia, and our own Barony of Stierbach; they also wish to see individual heraldry, household heraldry, Canton Heraldry, and the heraldry of out brother and sister baronies. Please feel compelled to bring and display your own banners, sashes, shields, flags, and other heraldry items.

It is my sincerest hope that you will aid me to make our Baronage's wishes come true.

Items for the Silent Auctions: Our own Lord Richard Wymarc (MKA) Timothy Mitchell will be hosting the Baronial Silent Auction, please contact and coordinate with him if you have items that you would like to donate. Funds raised with the Silent Auction will go into the Barony of Stierbach's General Fund.

There will be no lunch offering: I have advertised for several months now the opportunity for some group to host a fundraiser lunch, no one has contacted me with interest. So we will not be offering a lunch at our Baronial Event. We will be offering Cake to celebrate our Baronial Birthday and we are working to possibly offer a populace hospitality table with snack food. Please prepare accordingly.

In closing, I thank you for the opportunity to be in service as your Autocrat, but this is our event not mine, so my planning can only go as far as your support, service and input will allow. Please support in any way you are able to include coming out and celebrating our Baronial Birthday on 21 September 2019.

YIS

☞ Spotlight: Get to know your Barony! ☞

**Name:** Ld. Adelrich Falke

**Blazen:** Or, an eagle gules and on a chief sable five crosses formy fitchy Or.

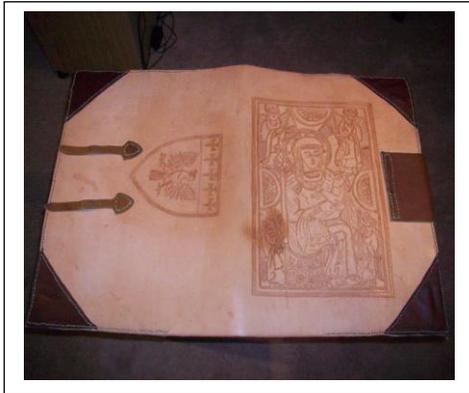

**How did you discover the SCA and how long have you played in the SCA?**

My first exposure was when I was stationed in Germany in 1991, a friend has some chain mail and armor sitting on the floor in his room. We took them outside, put it on and took turns hitting each other. In 1999 when I arrived at Ft Bragg, NC I sought out the SCA, I meet with some local folks, we made some banners, it was fun; but I was not yet hooked. In 2000 I was stationed at Ft Campbell KY, I liked up with the Shire of Crimson River, they put some loaner armor on me, and we fought, and that hooked me. I have been actively playing in the SCA for 19 years now. I have been a warranted and active marshal in some discipline since 2002. I also Autocratted my very first event in 2002 called Cool Runnings.

**Can you give an example of a skill you have developed in the SCA?**

I have always been good at working with my hands, I love to create and fix things. I learned to make armor from steel, leather, and plastic early in my SCA time; but about 3 years ago a very good friend of mine taught me a 30-minute leather

tooling class. Since learning this new skill, I have completed several very nice leather tooled projects. I have also learned the illumination skill from several classes and lots of self-experimentation, and from time to time create scroll blanks. My claim to scribal fame was completing the oldest back log scroll in the known world dating back to the 1980s. The individual who received it was very pleased!

### **If you could travel to any time and place on earth, what would you choose?**

Not being cheesy, but I'm pretty pleased to be right here, right now. I live with my wife, both of my adult daughters, son in law, and my granddaughter all in the house. I get to go to lots of events, I've made lots of new friends, and I recently had the chance to see many of my old friends. I'm really liking being only 5 hours from Pennsic vs the 11+ hours I used to be. While it might be a nice romantic fantasy to go back to 12<sup>th</sup> century Germany, the origin of my persona, the language barriers, the lack of family and deadly conditions make it merely a romantic fantasy.

### **What has kept you active in the SCA?**

I came for the fighting, I stayed for the friendships! I assume that many people in the SCA eventually come to a crisis point where they wrestle if they want to continue in the SCA. For me it was two years ago when my health determined that I can no longer fight in armor with sword and shield. I also find that I no longer have the same thrill that I used to when I fight, be it armored or rapier. But I do find that thrill in the friendships that I have made, not to be too cheesy, but they really do feel like my "Chosen Family". My own family is small, and we are not that close. These days I find that thrill in Autocrating or Marshaling and event. I love to plan things and I love to watch other people having fun as a result of something that I played a part in planning.
